

Airsynergy Appoints William P O'Brien to its Board of Directors

Dublin, Ireland – Airsynergy announced it appointed William P. O'Brien to its Board of Directors. A veteran financial executive of manufacturing, industrial services, and information technology businesses, O'Brien brings considerable operating finance expertise. His appointment was effective January 1, 2017.

"I am honored to serve on the board of such an innovative company with the potential to make a huge technology impact and the dedication to enhancing our lives and our planet," O'Brien said. "I look forward to working together with the Airsynergy board and management team to continue to deliver their compelling vision."

Mr. O'Brien was promoted to Chief Executive Officer of Aris Renewable Energy, an energy services company, from the role of Chief Financial Officer held since he joined Aris in 2016. Mr. O'Brien held financial leadership roles at Bloomberg, Thomson, and 17 years at General Electric.

Mr. O'Brien earned an MBA from the University of Connecticut and is a Hall of Fame Graduate Student Fellow. He also earned a BS in Mechanical Engineering from the University of Massachusetts, Amherst.
